Prog3/2021

Event Convening Team: The Women In Mediation Leadership (#WIML) is an Action Group generating dialogue and connecting women mediators with shared interests and who desire to make an impact together.

The #WIML hosts two key gatherings annually: March on the occasion of the International Women's Day and November is Women in Mediation Leadership (WIML) Month.

About: #Strategy20 is our collaborative statement. An audacious goal to work for Vision 2030; the welfare of our fellow citizens and prosperity of our nation. To transform and propel our nascent profession of mediation.

Everyone is a VIP at WASILIANA HUB events. **Recording** in form of audio, video, publication or other formats will take place at all WASILIANA HUB and partner events, and made available for distribution at the host's discretion.

So, hand up high to show you're in

Images: www.internationalwomensday.com

International Women's Day (March 8) is a global day celebrating the social, economic, cultural, and political achievements of women. The day also marks a call to action for accelerating women's equality. IWD has occurred for well over a century, with the first IWD gathering in 1911 supported by over a million people. Today, IWD belongs to all groups collectively everywhere. IWD is not country, group or organization specific.
